DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Frank Uxa on October 1, 2008.

The application has been amended as follows: claims 40 and 44 has been amended to depend from claim 31.

Regarding claim 40, in line 1, delete the phrase "chemical gas" and after "generator" delete the phrase " comprising a generating device for producing gas by chemical reaction, and a friction induced generating ignition means located in a central region of the generating device" and insert the phrase "as claimed in claim 31 wherein".

Regarding claim 44, delete the phrase "means includes an abrader structured and positioned to be effective in abrading a surface of the ignition region to facilitate ignition of the ignition region" and insert the phrase "device is located in a central region of the generating device.

Allowable Subject Matter

2. Claims 31 -35, 40, 42-44 and 46-48 allowed.

Art Unit: 1797

3. The following is an examiner's statement of reasons for allowance:

Regarding claims 31-35, 40, 42-44 and 46 – 48, the claims are allowable over the prior art because the prior art fails to disclose or suggest a gas generator comprising an ignition device wherein the ignition device comprises a friction member, a flint and an abrader.

Relevant prior arts to the applicant claimed invention includes Zhang et al. (US 5,338,516), Endelson (US 4,517,994), Bovard et al (US 3,516,797), Waldeck (US 3,785,334), and Nishii (US 5,725, 834), all of which were discussed in prior office actions.

None of the above prior arts alone or in combination discloses the applicant claimed ignition device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
